

Review Form 1.6

Journal Name:	Journal of Materials Science Research and Reviews
Manuscript Number:	Ms_JMSRR_86892
Title of the Manuscript:	PROGNOSTIC MODEL FOR OPTIMAL COST AND MATERIAL MANAGEMENT IN NIGERIA BUILDING CONSTRUCTION INDUSTRY
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://journaljmsrr.com/index.php/JMSRR/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	N/A	
Minor REVISION comments	The authors should expand their study literature review. In its current form, there are only very limited references used and therefore they should increase the number of references to at least 15.	
Optional/General comments	The original research paper is acceptable in its current form. It is well written and organised, and the study is both clear and readable, including its structure and message. Hence, the paper is an excellent contribution to knowledge in the associated context although the study literature review should be further expanded.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
