PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. Abstract should be more specific 2. Please add at least two tables: One is on various properties, interventions and mechanism of action of <i>T. Cordifolia</i> and second is on various formulations of <i>T. Cordifolia</i> and there interventions also mentioned clinical trial phase 3. There are lots of grammatical and typographical corrections initially i checked in depth but before resubmission consider this for example; Comma missed many places, verbs missing, check font size aswell.
