PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Set the title in small letters Too many keywords The review is about hospitalized cancer patients, so the Title needs modification	
<u>Minor</u> REVISION comments	1. Is there any difference in outcome between different cancers(Lung cancers vs abdominal malignancy, newly diagnosed cancer patients vs on chemotherapy, cancer patients on immunotherapy vs not on immunotherapy) 2. Cause of death of hospitalized cancer patients needs to be elaborated 3. Discussion is more on covid rather on cancer- covid management and outcome, and needs refinement and elaboration of various aspects- surgeons hesistancy for operation, lack of manpower / healthcare personnel needs a special mention in discussion 4. Conclusion needs modification	
<u>Optional/General</u> comments	Some reference needs to be added Discussion about home management of cancer patients needs to be discussed Adding tables shall make the article more presentable	

Review Form 1.6
