PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1) Statements like "Myth is widely held but false idea or a belief [...] usually backed by religious, traditional, customs and rituals " would need a citation.2) Generally, the manuscript would benefit from a short explanation (just few sentences) about the development, and theoretical basis of myths in the introduction, before talking about myths.3) It should be specified in more detail how the collection of myths was done and on the basis of which criteria those 25 myths were selected.4) Also a citation should be added for each "Fact".5) Finally, the manuscript should be carefully checked for typos and the references should be consistently formatted.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
