PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. The authors need present more data to back up your idea. 2. There are some conflicting ideas in the paper:COVID-19 killed the vast majority of patients, with pre-existing health issues playing only a minor role in the death mechanism.But in the text the author emphasizes the importance of autopsy in clinics to better understand new viral infection.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
