PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>1. It is apparent that the paper was written by someone for whom English is not their mother tongue. Many sentences are simply not written correctly. Example (one of very many): " While the COVID-19 have affected global social and economic disruption." is not a sentence</p> <p>2. The content is not precise: Example: "Nowadays, government works on the treatment of the COVID-19 because vaccination is essential to prevent this crisis." Vaccination is not a treatment. It is a preventative intervention.</p>	
Minor REVISION comments		
Optional/General comments	<p>Recommendations: Unfortunately, I do not believe that the paper is ready for Submission Recommend</p> <ol style="list-style-type: none"> 1. Reviewing and fine tuning the content 2. Involving an editor who can help with grammar and English. <p>Comment: The topic matter is important and worth writing about</p>
