PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>TITLE</p> <p>-I have read through the manuscript and suggest that the title be revised to: COVID-19: The Pandemic Situation in the context of India.</p> <p>ABSTRACT</p> <p>-The abstract needs to be restructured so as to bring out precisely what motivates this review, its aim and the findings and conclusions thereof. In the current state, these aspects are co-mingled, or completely missing.</p> <p>INTRODUCTION</p> <p>-Authors should revise the introduction to reflect clearly the origins of COVID-19, when it was first appreciated in China, and when WHO announced it as an emergency.</p> <p>-The review needs to hint on the current data (active cases, deaths, recoveries) for both the world and India at the time of this review.</p> <p>-The manuscript body should also hint on the vaccines for COVID-19 that have been rolled out, and the challenges associated with vaccination.</p> <p>- The manuscript body should also hint on the variant developments of COVID-19 that have been cited, and the challenges associated with these uprising.</p> <p>-More references should be incorporated to elaborate this review.</p>	
Minor REVISION comments		
Optional/General comments	<p>Other suggestions are indicated in the manuscript file.</p> <p>The manuscript could greatly benefit from English proofreading by a proficient speaker</p>
