Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>Authors try to give the perception of parents of cerebral palsy children in their original article about Ease of Care giving for Children: parent perceptions of the physical demands of care giving for children with cerebral palsy in Indian context</p> <ol style="list-style-type: none"> I. But authors did not mention about the comparison of CP children with typical development children in the introduction . II. Thererequired correction in methodology. III. Statistical Analysis of the data are not clearly mentioned in the analysis part. IV. Article to be reframed with proper sequential description. V. Clarity and presentation of the paper to be mentioned. VI. Typos and grammatical errors appear in the article. VII. Overall the paper shows averagely good technical strength, transparency, intelligibility and significance of the paper title. VIII. Conclusion part should be more clear and prospective. IX. Reference list is adequate but citation in the text is not in proper format and some of the citations are unjustified introduced. X. Tables and Figures require proper format and more clarity in the text. XI. Several work has been done on this topic the authors are requested to follow the recent article like - <p>1.Prakash, V., Patel, A. M., Hariohm, K., &Palisano, R. J. (2017). Higher levels of caregiver strain perceived by Indian mothers of children and young adults with cerebral palsy who have limited self-mobility. <i>Physical & occupational therapy in pediatrics</i>, 37(1), 64-73.</p> <p>2.Alghamdi, M. S., Chiarello, L. A., Avery, L., &Palisano, R. J. (2020). Ease of Caregiving for Children: re-validation of psychometric properties of the measure for children with cerebral palsy up to 11 years of age. <i>Developmental neurorehabilitation</i>, 23(3), 166-175.</p> <p>3. Mohakud, K., Sahu, R. K., Dash, S. R., & Sahoo, S. (2019). Child Behavioral Problem and its Relationship with Parenting Stress of Mothers of Cerebral Palsy Children and Autistic Children. <i>Website: www. ijpot. com</i>, 13(4), 478.</p> <p>4.Elangkovan, I. T., &Shorey, S. (2020). Experiences and Needs of Parents Caring for Children with Cerebral Palsy: A Systematic Review. <i>Journal of Developmental & Behavioral Pediatrics</i>, 41(9), 730-739.</p>	
<u>Minor</u> REVISION comments
