

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_74799
Title of the Manuscript:	Autologous Intrauterine Platelet Rich Plasma Versus G-CsfInstillation For Improvement Of Endometrial Growth And Vascularity In Recurrent In Vitro Fertilization Failure.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Abstract- Title-</p> <p>Autologous Intrauterine Platelet Rich Plasma Versus G-CSfInstillation For Improvement Of Endometrial Growth And Vascularity In Recurrent In Vitro Fertilization Failure.</p> <p>- Not clear word...please add space bar at appropriate place .also spellcheck. also check if the word instillation is fitting in this context.Please consider replacing it if possible</p> <p>Introduction: 1-FERTILIZATION failure it was then It -I should be capital and add space 2- with G-CSF and analysed in terms - G-CSF -Please Add asterisk * and explain at the end of the articles as Acronyms -Anaiysed-spellcheck</p> <p>Material and methods</p> <ul style="list-style-type: none"> • Intrauterine instillation of autologous platelet rich plasma was done <ul style="list-style-type: none"> - correct it add -platelet -rich • growth and with prior cycle add article.a prior0.5 -1 ml of platelet rich plasma -add hyphen- • uterine cavity on the the 10th- Double the-make it single • embryos were • E capital <p>Results –</p> <ul style="list-style-type: none"> • post-G-CSF et -What does et stands for – <p>Introduction-</p> <ul style="list-style-type: none"> • Implantation is a complex and poorly understood process which involves various factors and requires a positive interaction between embryo and endometrium <ul style="list-style-type: none"> ○ -Kindly give reference • Significant Plagiarism noted • Additional writing issues with grammar and spellings too • please Explain all,acronyms 	

Review Form 1.6

	<ul style="list-style-type: none">• Endometrial doppler not only reflects on blood flow of endometrium but also indirectly reflects on angiogenesis required for implantation. <p>-Give reference</p> <p>Materials and methods</p> <ul style="list-style-type: none">• Writing issues noted-Spellcheck and grammar.• The sample size unfortunately is very small so unlikely to give any significant results. <p>Suggestion –Take more statistically significant sample size .(at least 100+)</p> <ul style="list-style-type: none">• Drawbacks:As the cycles were FET cycles, patient were already on estrogen and low-dose aspirin, so we are not sure whether the small increment seen in endometrial thickness was an effect of G-CSF or platelet rich plasma alone or it was due to a combined effect of all these preparations. <p>-As you have mentioned here this is a potential bias in the study with small sample.</p> <p>NOTE:</p> <p>The study highlights the efficacy of "HERBAL MEDICINE which is an ancient tradition, used in some parts of India. This ancient concept should be carefully evaluated in the light of modern medical science and can be utilized partially if found suitable.</p> <p>COMPETING INTERESTS DISCLAIMER</p> <ul style="list-style-type: none">• Somehow I am not able to get it clear—what does this note signify.• Platelet rich plasma if you mention it as herbal medicine-kindly provide the reference.• Competing interest disclaimer –Does the author mean to say Interest of conflict. <p>References-</p> <ul style="list-style-type: none">• No 1 Incomplete citation and old reference year 2007.(Prefer ref <5 years old) Kindly provide doi• NO 2 Incomplete citation Kindly provide doi• NO 3 Kindly provide doi• NO 4-My speculation is the review articles may not be appropriate as reference citation.please check• NO 5,6,7,8- Kindly provide doi• Suggestion-Kindly try to add more references minimum 25-30 so that the research is well backed up with evidence
