PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Article accepted with little reservation, a relevant subject for the male population.	
Minor REVISION comments	My suggestion is that it is better clarified when the post-test has been applied. On the seventh day after candidates watch the video? This would be my suggestion for a review. Accepted without further reservations.	
Optional/General comments
