Review Form 1.6

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|--|
| Compulsory REVISION comments | <p>ABSTRACT aim- recast-like this----- The purpose of this study was to examine level of awareness about proper disposal of unused medicine. The improper disposal of unused medicine is a growing problem even with available existing guidelines. It is an established fact that knowledge and level of awareness play pivotal role for practice of proper disposal methods.</p> <p>Procedure. Participants were asked—question 3 : (3) Why did you left taking medicine?- difficult to understand</p> <p>Results and discussion</p> <p>Were single had at least Primary level of education, were unemployed----this looks incomplete please recast.</p> <p>We, inquired from participants do they know or have any knowledge about proper disposal of unused medicine regarding this 80 (20%) of the participants showed knowledge about---- - please recast like this: We, inquired from participants ' do they know or have any knowledge about proper disposal of unused medicine,' regarding this 80 (20%) of the participants showed knowledge about -----</p> <p>In the same vain please read the work again and put commas, full stop in the appropriate places.</p> | |
