PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper subject is nice.Well designed study .The only doubt I have is the place of study.Wardha district is misleading.Hope it means that there will be a questionnairre that will be asked from each person as they sleep at their houses. If the period of study would have been mentioned, it would have improved the quality even further. A sample questionnaire is needed as a example.	
Minor REVISION comments		
Optional/General comments
