Type of the Article	Case study

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In my opinion, the Introduction is a bit short. The case presentation it is short too, I think that if it is a case report, the rest of the items should be enlarged. The discussion and Conclusion are short too. I think need to enlarged all the manuscript	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
	The manuscript is very interesting, but it should be more complete by lengthening the other items	
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details) Yes.
