PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. Please define IHP of introduction section , with clear vision , it seems unclear from the definition point of view 2. Please modify the vision of rather writing in some part abdomen and in other part hand.. 3. {Itching is most commonly found on the palms of hands and soles of feet, but it can occur everywhere on the body. ⁶ This sentence is repeated in the introduction , please delete one. 4. Please read one more time all the section of the manuscript and see if there is any repeat in line and try to project the mechanism part in more up-to-date fashion. It seems superficial mechanism .	
Minor REVISION comments	Please read manuscript all part and focus on discussion and reference to revisualise in smooth fashion	
Optional/General comments	More repeat processing of the whole manuscript is necessary by the author and write it in more fine way.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
