PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Just a bit of proof reading and editing because some places sentences are intertwined between past and present</p> <p>Quite good case report. I would advice to put location of the hospital such as the city, and the province. India is a very big country not many knows about it.</p> <p>Also, List major causes of accidents among females and males in that province, city, town etc.</p>	
Optional/General comments
