PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|--|
| Compulsory REVISION comments | | |
| Minor REVISION comments | | |
| Optional/General comments | <p>I consider that the work is a good contribution to avoid environmental pollution by insecticides, and especially collateral damage against other insects such as bees, which are fundamental in the pollination of species that you want to protect.</p> <p>I suggest that a paragraph should be added in the conclusions with reference to some forms of biological control of pests, without using toxic chemicals.</p> | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|--|--|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
