PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I made the necessary edits on the submitted article. In general, the same sentences in the summary and introduction should be changed, the abbreviated words should be written in the clear version, and the references that are not related to the work numbered 20-39 in the discussion section should be removed. The discussion part of the study should be expanded by adding new references. The edits I made on the article should be examined step by step.	
Minor REVISION comments	Please check the grammar carefully.	
Optional/General comments	Work can only be accepted after improvements have been made.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details) Yes. References 20-39 are cited even though they are not related to the article.
