Type of the Article	

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"><li>1. Title is interesting but authors have failed to discuss the topic and present a proper review. The paper contains just statement of few facts which is already known. Authors should discuss regarding how immunomodulatory function of various herbs are useful. Mechanism of action, beneficial effects of each herb should be discussed. Whether these herbs can be combined, if so in what proportion, the effective and recommended combinations should be discussed. Literature review should be done which is missing in the article.</li><li>2. Discuss published articles on effect of herbs and patient outcome in covid</li></ol>	
<b>Minor</b> REVISION comments	Plenty of grammar mistakes – need to be corrected	
<b>Optional/General</b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
