PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The manuscript is full gross grammatical and spelling errors. It must undergo thorough spelling and grammatical corrections to make it publishable. 2. The write up is poorly written. This is a review but is written like a research article and in some cases, a combination of both. This is unacceptable. The write up must reflect a review article. 3. The abstract is poorly written. It must be rewritten to reflect the body of the manuscript. 4. The topic of the manuscript must be recast as indicated in the body of the manuscript 	
Minor REVISION comments	The journal format was not followed in preparing the manuscript. This should be corrected throughout the manuscript.	
Optional/General comments	Good attempt by Authors.	

Review Form 1.6
