PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|--|
| Compulsory REVISION comments | The researcher showed the advantages of Intercropping Systems in Wheat for Pest and Disease Management without mentioning the negatives or problems resulting from the application of the system. The researcher did not address the best combination to use with the wheat crop, which can be considered as a recommendation from the researcher based on previous studies. | |
| Minor REVISION comments | Is this system used in rain-fed and irrigated agriculture, or is it preferable to use it only in irrigated agriculture?. The researcher should explain this in more detail | |
| Optional/General comments | There are some spelling errors in the text, in addition to a merger of two or more words in some sites, such as itgives, differentintercropping, emphasiswith, systemsare...and others. | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|--|--|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
