PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. Ayurvedic words should be in italics. 2. Only textual references from classical literature were selected whereas no online database was searched to deal the concept in scientific way. 3. The concept of the paper is not clear; it should be explained in term of the clinical application of the apana vayu vaigunya in parlance of the modern medical studies. 4. What the author wants to conclude is also vague.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
