PART 1: Review Comments

| | Reviewer's comment | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|--|
| Compulsory REVISION comments | Mononeuropathy in dengue might occur due to cell mediated immune reactions ⁽²⁾ , but the pathophysiology is not well understood | The pathophysiology is not well understood and there many reasons for the mononeuropaty to have been caused like Vasculitis, Immune mediated, direct viral invasion. In this case since the nerve palsy has manifested early in course of illness possibility of direct viral invasion is more of a possibilty | |
| Minor REVISION comments | In Abstract- 1)Neurological manifestations are very rare in dengue, | Neurological complications are no longer very rare considering the high prevalence of cases in the Tropical countries. Can be rewritten as not commonly seen | |
| Optional/General comments | Neuroimaging were done | What neuroimaging was done needs to be mentioned | |

Review Form 1.6
