PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>It is very interesting case, especially rare disease.</p> <p>The manuscript is too short. There's a few case report that already published. I think its better you to explore what the different with other case.</p> <p>Its better if you mention about genetic result.</p> <p>Your references is more than 5 years. It better if you search the newest one.</p>	
Minor REVISION comments	Please point on the picture which want you mentions.	
Optional/General comments		

PART 2:
