

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_78105
Title of the Manuscript:	NEUTROPHIL - LYMPHOCYTE RATIO AS A BIO- INFLAMMATORY PROGNOSTIC MARKER OF FETOMATERNAL OUTCOMES OF PRE-ECLAMPSIA: a narrative review
Type of the Article	Review Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	What were the gestational age and cut off points of NLR in Various studies mentioned in the review? What was the sensitivity and specificity of NLR in predicting severe PE in these studies? What were the maternal fetal outcomes? Comment on the external and internal validity of these studies Simple and low cost serum bio markers like serum Uric acid, lipoproteins are not mentioned. Developing countries like ours should focus on these readily available markers. Any comparison of these low cost markers with NLR?	
<b>Minor</b> REVISION comments	What clinical message you would derive from this review? if comparison between the low cost bio markers, what would you recommend? Any study on combinations of these markers?	
<b>Optional/General</b> comments	Grammatical errors to be corrected, reference format as per the journal requirement	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	

### **Reviewer Details:**

Name:	Sangay Tshering
Department, University & Country	Jigme Dorji Wangchuck National Referral Hospital, Bhutan
