

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_78118
Title of the Manuscript:	Fatal Fulminant Hepatic Failure in a case of Zinc Phosphide Poisoning: A Case Report
Type of the Article	Case study

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The pathophysiology of zinc phosphide poisoning should be mentioned in the Introduction section and not in discussion. The reason of reporting this case should be mentioned in Introduction Discussion needs major revision and is weak as it does not discuss the literature in the light of the present case study.	
Minor REVISION comments	The authors should take help of an English writing expert to address to the grammatical errors present throughout this manuscript.	
Optional/General comments	None	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
