Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This paper has many unnecessary subtitles. It has language errors which should be revised. Tables and figures needs revision as I commented in right-hand-side of the manuscript. The title is short as potential readers are unlikely to find it in their web search. Use a certain style. Be consistent in writing! Either use "E-pharmacy" throughout the manuscript or use "e-pharmacy". At the end of the introduction, write the objectives of the research. Add innovation and contribution of the research in the introduction. The equation should be typed in equation feature of Word Office. Introducing the symbols should be typed in a paragraph.</p>	
Minor REVISION comments	<p>Figures and tables should be edited to become clearer and more readable. This manuscript needs English editing.</p>	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
