PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Incidence of hearing loss not mentioned .</p> <p>Yellow white lump noted- unclear on what the author is trying to suggest. It would be better to mention intra operative findings.</p> <p>Nursing management is unrelated to the case. A mention may be made with respect to the hearing loss detection, if required.</p> <p>No mention is made about the how the patient presented with hearing loss and how it was detected.</p> <p>Points of clarification:</p> <ol style="list-style-type: none"> 1. What were the intra operative findings? 2. What was the dose of cisplatin administered to the patient? 3. Did she receive radiation? 4. How was hearing loss confirmed? And managed? 5. At follow up, what were the tumour markers? 6. Were other tumour markers sent? 7. What was the post operative course? 8. In discussion, mention treatment of choice for cases at this age group. 	
Minor REVISION comments	<p>The case report may be written in a more concise manner.</p> <p>A lot of repetition noted.</p>	
Optional/General comments
