

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_78706
Title of the Manuscript:	Surgical Management of lymphatic leakage
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

<https://www.journaljpri.com/index.php/JPRI/editorial-policy>

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Dear Editor, Confidential</p> <p>a) The principal point of this study was to show that surgery—primary muscle flaps, lymphatic ligation, and suction drain placement—as well as nonoperative—bed rest, elevation, compression, prophylactic antibiotics, vacuum aided closure treatment, and glue embolization—are presently used as first-line therapies for lymphatic leak.</p> <p>b) I think that this study is suitable, after minor revision, to be published onto your prestigious journal.</p> <p>Comments to Authors</p> <p>Authors are kindly requested to emphasize the current concepts about these issues in the context of recent knowledge and the available literature. This articles should be quoted in the References list.</p> <p>References</p> <ol style="list-style-type: none"> 1. Surgical Management of Cervical Non-seminomatous Germ Cell Tumor Metastases. <i>Laryngoscope</i>. 2021;131(7):1528-1534. doi:10.1002/lary.29364. 2. Novel interventional radiological management for lymphatic leakages after gynecologic surgery: lymphangiography and embolization. <i>Gland Surg</i>. 2021;10(3):1260-1267. doi:10.21037/gS-2019-ursoc-10. 	<p>Comments to Authors</p> <p>Authors are kindly requested to emphasize the current concepts about these issues in the context of recent knowledge and the available literature.
