Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>-In BACKGROUND "in the past, open appendectomy use to be prefer choice of intervention while in recent years laparoscopic is an alternative option with accepted safety" GRAMMAR mistakes, you have to revise and correct.</p> <p>- In METHODS *You should mention the used methods for the studies cases (statistical analysis tools,...) * Why do you report the treatment plans in methods section?</p> <p>- in RESULTS *"Median age of the patients was 22.9" PROVIDE the range * "At admission the cases were there as in First Trimester– 4, Second Trimester-6, Third Trimester-5." WHAT does it mean? * Provide a table or more than one table concluding your results * Langugae editing is essentual, too many mistakes</p> <p>- In Discussion * Language is very poor * "According to Kim et al it is most commonly seen in 1st trimester while Joe et al indicated that it is most common in third trimester" CITE the references * "Early diagnosis and Early surgical intervention might decrease the mortality rate(7)" ADD one more recent reference here , I recommend this one (Hasan A, Nafie K, El-Sayed S, et al. Enterobius vermicularis in appendectomy specimens; Clinicopathological assessment: cross sectional study. Annals of Medicine and Surgery. 2020 Dec 1;60:168-72. https://doi.org/10.1016/j.amsu.2020.10.057)</p> <p>- In CONCLUSIONS "Acute appendicitis is one of the most commonest ..." GRAMMAR mistake, revise and correct</p>	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
