

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_78824
Title of the Manuscript:	EFFECT OF VIRGIN COCONUT OIL IN PLAQUE RELATED GINGIVITIS
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The authors should go throughout the manuscript and carefully scrutinize some grammatical errors, punctuations, typographical errors and spaces. Besides, revise the space between values and their respective units. As I found out several grammatical mistakes, I encourage the authors asking either a native English speaker or English proofreading service to improve the manuscript. 2. There is a lack of innovative description of this study. It is suggested to add the similarities and differences between this research and previous research results, and what supplements and developments have been made. 3. All images in the manuscript should be presented in high resolution 4. A more critical discussion of benefit, pitfalls and threats connected in the use of these type of techniques. 5. The content of the conclusion should reflect the theoretical value, practical value and applicable scope of the research results, and can put forward suggestions or prospects. Should not resemble abstract, conclusion needs to revise 6. The scientific name should be Italics 7. The aothors should include glycerol in the discussion 	
Minor REVISION comments		
Optional/General comments
