PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	-The introduction is very short, would be better to refer to the studies that used self-made questionnaires. - The barriers to using online evaluation point to an option called, This is a New Opportunity. That is not true. - In the search section, it was better to review and analyze the results of the questionnaire more. - The conclusion is very incomplete and short.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
