Compulsory REVISION comments		
Minor REVISION comments	Thank you for asking my opinion about the manuscript entitled "Case Report on Chronic Renal Failure in Adults". I believe that this Case Report should be Minor revision: 1. The abstract is untidy and needs to be paraphrased. 2. The introduction is very short? 2.1. In the introduction, include the significance of the study as well as novelty. What makes the study different from the rest and what does it add to the current knowledge? 2.1. In the introduction, the authors should have explained the purpose of this study and the existing gaps in this field and explained why this study was conducted. 3. References are relevant, correct, and not recent. The number of references should be increased. 4. There are a lot of grammatical errors. This must be taken care of and addressed.	
Optional/General comments
