PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The structure of the paper is very unsystematic. The paragraphs throughout the paper are very uneven. For instance, some paragraphs are very short and some are very long. This needs to be uniform. Serious proofreading is required in this context. The font type is not uniform throughout the paper. Uniform font type should be used. The sources of the table and figures need to be mentioned. The spacing is a serious issue in this paper. It is not uniform throughout the paper. The conclusion of the paper is not able to tie up all the important findings of the study. The implication of the study which is an important element in a paper is not included. There is a major issue in the referencing. The referencing should follow one accepted style of referencing.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
