### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

<https://www.journaljpri.com/index.php/JPRI/editorial-policy>

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. The report requires a deep grammatical and syntax review.</li> <li>2. I would like to know more about the subtype of the patient's Beta-thalassemia. Is the patient homozygous or heterozygous?</li> <li>3. How could you explain the patient's survival for 17 years, with a Beta-thalassemia that appears to be a transfusion-dependent anemia?</li> <li>4. I would like to know more about the lab work, specially FERRITIN levels, platelet count.</li> <li>5. If the patient has a very high risk of iron overload; Why is he receiving OROFER XT which is Ferrous ascorbate?</li> </ol>	
<b>Minor</b> REVISION comments	<ol style="list-style-type: none"> <li>1. The author must not use commercial brand names for medications.</li> <li>2. A 17y.o patient is not a child, he is an adolescent. I suggest you refer to him as a patient.</li> </ol>	
<b>Optional/General</b> comments	<ol style="list-style-type: none"> <li>1. Have you assed iron deposit in the liver and heart?</li> <li>2. Was the CT-scan done with IV contrast to asses portal vein patency?</li> </ol>	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
