PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The content of this article seems to be substantial, but some disadvantages are obvious. For example, the meanings of some sentences are unclear so that the readers might misunderstand them. Moreover, some parts are short of related descriptions and details. There are also still some English and grammar mistakes, formatting problems and lack of data and innovation. In my opinion, a major revision is required before accepting.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
