

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_79388
Title of the Manuscript:	A Covid-19 Follow Up Protocol Based on Short and Long Term Clinical Outcomes
Type of the Article	Review Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>Not applicable</b>	
<b>Minor</b> REVISION comments	It has the potential for publication and brings a reflection and suggestion for a very convenient COVID recovery application, in view of the serious public health problem.  The manuscript has a current theme, with good bibliographic search. I suggest in the text some observations related to using similar terms and close to each paragraph. I also suggest evaluating the discussion of comparisons made with the studies detailed in the work, in order to make your assessments more robust.	
<b>Optional/General</b> comments	<b>Not applicable</b>	

### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>  This manuscript does not involve ethical issues.
