PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	1-The present manuscript is an extensive study and presents valuable data. 2-The references need to be reformulated and arranged again in the manuscript and in the references at the end of the manuscript and writing the references in a correct scientific way because it is written in a confusing and complex manner. 4-The manuscript needs to be arranged in reference numbers, not to write the names of researchers in the manuscript, small and capital letters, and it needs to be organized in writing and coordination, and it is not publishable in this format .3- The English writing needs to be overall checked. 4- Some corrections are necessary in the body of the text	
Optional/General comments	Please send this manuscript again after modification to review it again	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
