Manuscript Number:	Ms_JPRI_79548
Title of the Manuscript:	Recent trends in therapeutic approach of type 2 diabetes mellitus
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The new therapeutic approaches enumerated should be elaborated to include the latest findings supported by recent publications. The herbal approach should be rewritten to include the various herbal plants that have been studied and have proven to be successful in the treatment of DM Plagerism check should be carried out because there are some strong statements without references	
Minor REVISION comments	Both grammatical and spelling check should be carried out. I have tried to enumerate some of them	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
