PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The corrections that are made in the text have been highlighted in pink and the words which are to be removed are highlighted in Yellow. The author needs to correct the excessive spacing in the text.	
Minor REVISION comments	Minor highlighted revisions required.	
Optional/General comments	This is an interesting article where the authors have well compared the use of Nanotechnology in Dentistry. It is well structured and written. However in my opinion the paper needs minor revisions of words added or subtracted already highlighted in the text. And kindly work on the excessive spacing in the text.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
