PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In the introduction, the organization the thoughts are poorly done, it lacks sequence and has a lot of mix up. I think the author need to revisit the introduction to reorganise his ideas in a sequential order.	
Minor REVISION comments	There are minors grammatical mistakes, RED Colour the paper indicate my suggestions to replace what is in the original paper Yellow Colour , suggest complete removal, missing misfit. Green Colour , suggest that the author should revisit the line of thought, it appears confusing, not lucid.	
Optional/General comments	The paper has good ideas, current literature and it is readable. I commend the authtor for his effort.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
