

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_79812
Title of the Manuscript:	Management Strategies for Oral Submucous Fibrosis- An Update
Type of the Article	

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>1. Different managements, their results must be compared and discussed rather than just putting them in a tabular form. There no discussion about different treatment approaches, their advantages, limitations or drawbacks.</b> <b>2. As it is a review article – no materials and methods given – how articles were searched and filtered, keywords not mentioned.</b>	
<b>Minor</b> REVISION comments	<b>1. In tables about various treatment approaches – in some studies, doses, duration, route or action not mentioned.</b> <b>2. There is no uniformity of citing the article references either numbering the reference or mentioning about author details. It should be standardised as per Journal rule.</b>	
<b>Optional/General</b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
