PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Almond oil and Vit E oil may be equally beneficial and effective as lip moisturiser. Justify the efficacy of your preparation because individual components may be equally competent. Vit E oil capsule is having gelatine covering which is from non-veg source.(needs consideration)	
Minor REVISION comments	What is the source of Vit E oil (needs to be mention) – may need safety study in new indication, as not mentioned in classics. Use APA citation format.	
Optional/General comments	Include pictures of lab procedures and materials used to prove authenticity of the article, Include published articles in review regarding components used to prepare lip balm.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
