

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_79939
Title of the Manuscript:	Meibomian gland dysfunction causing dry eye syndrome in computer users
Type of the Article	

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"><li>1. The authors compiled papers published in Pubmed, Web of scholars, Scopus between January 2016 to December 2021 using the keywords 'dry eye disease', 'tear film', 'meibomian gland', 'meibomian gland dysfunction', and 'digital eye strain' has been taken. However, inclusion and exclusion criteria are not defined for the studies taken in this article. It is not clear why only 9 studies included in this article (Table1).</li><li>2. Methodology is not clearly written, and results are also seeming to be incomplete (types of study, significance of outcome etc. are not mentioned).</li><li>3. In discussion, paragraph 1, no references are included. 5 variables are taken in article but only tear film break-up time is discussed in details.</li></ol>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments	I read the aim and scope of journal of Pharmaceutical Research International,	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
