

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_80007
Title of the Manuscript:	Evaluation and management of Mallory – Weiss syndrome
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In the treatment section, there is an entire chunk of the manuscript starting from the sub-heading 'Endoscopic injection therapy' that is completely lifted from Reference 23. Use the data provided in the reference but re-write it in your own language.	
Minor REVISION comments	Grammatical errors mostly, which have been highlighted.	
Optional/General comments	Well written, well researched article. Though the article does not bring any new information, it is robust and easy to read. In the treatment section, there is an entire chunk of the manuscript starting from the sub-heading 'Endoscopic injection therapy' that is completely lifted from Reference 23. Suggest to re-write that section in the author's own words.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
