

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_80074
Title of the Manuscript:	Insilco Study on the Structural Characterization and Inhibitor Detection for Super Small Secreted Glycoprotein of Reston Ebolavirus
Type of the Article	Original Research Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p><b>On Abstract:</b> highlighted "red" are words considered to be remove and replace with words highlighted "green".</p> <p><b>On Keywords:</b> all first time abbreviations be reverse to full word(s). (see yellow highlights).</p> <p><b>On body of work:</b> &gt; note, all words considered to be remove are highlighted "red" Considered words for replacement are highlighted "green". Where information are needed, are highlighted with "yellow".</p> <ul style="list-style-type: none"> <li>&gt; Manner of referencing need to reverse i.e. Ref. are part of sentences, should be use either first or last after a comma then followed by a full-stop. Examples has been done for [4], seen green highlight. Do same for others throughout the entire work.</li> <li>&gt; From methodology and beyond, no consistency in siting references of the body of the work. Numbers should be used and not putting complete reference website. (Very important).</li> <li>&gt; Tables and figures should be placed on the centres of pages where there are found.</li> </ul> <p><b>On literature review: Please review this section with up-to-date literatures.
