Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>Authors are advised to work on the % calculation and also check the reference fit with the written text. Please check all the rectifications done in the original file (comments and the rectifications done in red font)</p> <p>I would recommend if authors provide the more information (in tabulated form) about the antibiotics (including their Brand names), which are more likely to be available without prescription in their regional area.</p>	
<u>Minor</u> REVISION comments	<p>Please check all the rectifications done in the original file. Authors also advised to look at the supply and sales regulations for the antibiotics in India.</p>	
<u>Optional/General</u> comments		

Review Form 1.6

PART 2:
