

Review Form 1.6

| | |
|--------------------------|--|
| Journal Name: | Journal of Pharmaceutical Research International |
| Manuscript Number: | Ms_JPRI_80226 |
| Title of the Manuscript: | Nanobiotechnology And Its Application in Vaccine Delivery |
| Type of the Article | Review Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | Although this article is a review article, the content presented in it is repetitive and trivial and is not worth publishing in the journal. | |
| Minor REVISION comments | There is written problem in whole the text. All punctuation, including commas, and ..., need to be revised. The results are not satisfactory, well presented, include efficient statistical analysis. The tables and the figures are not satisfactory and clear. The discussion is not on the data justified, compared with other similar studies with clear conclusion. | |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
