PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Thank you for the opportunity to review this paper. The manuscript needs extensive structure and language editing for it to be made comprehensible to the reviewer. I have raised a number of points that I believe would improve the manuscript.</p> <p>ABSTRACT: Conclusion: Be written according to the purpose of the study (list of preventive actions that can protect a physician from negligent prosecution.) Summary: Remove part of the abstract. Key Words: Review keywords based on MeSH.</p> <p>INTRODUCTION: Abbreviations should be written in full for the first time.(MBBS physician). The structure of the introduction is not clear and needs to be fundamentally revised. It seems to have happened wrong. Corona virus is discussed in paragraph 6 of the introduction to paragraph 10!!</p> <p>DISCUSSION: The structure of the discussion is not clear and needs to be fundamentally revised. The 1 to 4 paragraphs of this section are duplicates.</p> <p>CONCLUSION: Conclusions do not match the purpose of the study.</p> <p>References: References in the text of the article need to be corrected and revised.</p>	
Minor REVISION comments		
Optional/General comments
