

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_80859
Title of the Manuscript:	Benign Paroxysmal Postural Vertigo (BPPV): A review
Type of the Article	

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>The paper is interesting and analyses content from different sources to show BPPV context. However, I have the following observations.</p> <ol style="list-style-type: none"> <li>1. There are typing mistakes throughout the manuscript starting from the title. The word 'review' should start with capital letter. These mistakes are apparent throughout the manuscript.</li> <li>2. The methodology is described inadequately. Try to elaborate the fool methods and materials.</li> <li>3. References section have some inconsistencies/weak references.</li> </ol> <p>I encourage the authors to address these.</p>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
