<b>Compulsory</b> REVISION comments  This is an interesting paper. It adds knowledge in the field of research. However, the paper needs several corrections. It has abundant mistakes. The authors just made copy paste of other text. The paper contains 27 References and they cite other such as 45 and 50.	Some suggestions are included. The paper must be carefully reviewed. <b>To review the Abstract, the text. To review the citation of the references in the text. The references should be cited in an ordered sequence. To avoid un-necessary use of capital letters in the title of the articles and in the name of some journals. In my opinion, since several terms used in the text are complex to understand, abbreviations should be do not used.</b>	
<b>Minor</b> REVISION comments	xx	
<b>Optional/General</b> comments	The paper is interesting but it must be revised carefully and corrected.
